

# Your Invitation to Spiritual Growth

Our St. Mary's  
Men's Weekend  
February 25/26, 2012

## Jesus is calling you to spend some quality time with Him

The world is filled with stresses and distractions that can lead us away from the real meaning of what life is about...relationship.

*God's command from the very beginning was to love – to love God, to love ourselves and to love others. **That demands hard work!** Many times we forget that our relationship with God is just as demanding as our other relationships.*

*Participants come together in a casual but effective Christian atmosphere of sharing and dialogue where God calls and invites them to experience new life and a new purpose.*
