History of the St. Mary's Men's Club

The St. Mary's Men's Club was founded in 1981 to provide the men of St. Mary's Parish with opportunities for fellowship through spiritual, service, and social activities; and through those opportunities provide support and assistance to the Parish as a whole. We have grown to over 300 members.

There are many worthwhile ministries at St. Mary's. The Men's Club is the easiest ministry for the men of St. Mary's to get more involved in Parish life. We encourage and welcome the men of St. Mary's to get involved in the Men's Club and our activities; including our Golf League, which is held on Mondays at Ellsworth Meadows.

If you are interested in joining the Men's Club, please complete the enclosed membership form or stop in at one of our meetings. Our meetings are typically held at 7:00 PM on the 3rd Sunday of each month (excluding July, August, and December) and include food & refreshments.
