Old Business

- Brian O'Connor routed a sign-up list for the upcoming Men's Club Mass on September 30th at 11:30. The Men's Club provides all support at the Mass (Eucharistic ministers, altar servers, lectors, cross bearer, hospitality, membership brochures, etc.) All members are strongly encouraged to attend even if you are not signed up for one of the support roles. Wear a white shirt and tie and meet in the main Narthex at 11:15. We will not be providing the choir at this mass but will at the January mass.
- Brian also needs help with the Woman's CRHP Dinner on September 29th.
- Dick Kollman needs volunteers to help cook for the October and November meetings. We are also looking for someone to take over for Dick starting with the January 2008 meeting.
- Joe Palmeri discussed creating a membership directory (based on interest) that could be used by all to support each other both personally and professionally. Anyone who would want to be in the directory would need to be current with their annual dues.

New Business

- Jim Drake provided an overview of a possible fund raiser involving an annual car raffle. Jim's brother lives in Pennsylvania and their Parish has been doing it over 5 years with

St. Mary's Men's Club

great success, especially with internet sales. Jim and Rick will try to set up a meeting with Father John to gauge his level of interest before going further.

- Bill Sepe reminded all to recycle at our events and meetings, especially plastic water bottles. Recycle containers are being provided throughout the facilities thanks to the Boy Scouts.
- Joe Urbanic spoke with Father Tony Palazzo regarding Food for the Poor. Father indicated that there is an opportunity for 15 or more Parishoners to go to Jamaica for one week of service at a reasonable cost. Contact Joe if you are interested.

Speaker

- Jeff Collier spoke briefly about Bread for the World and showed us a video on the subject. Jeff is asking all members for their support by taking 5 minutes after Mass on October 20th and 21st to write a letter to their representative in Congress.

The next General Meeting will be held on October 21st, 2007 at 7:00 p.m.
